

SURVIVAL RATION

DFRL, DRDO developed Survival ration comprising energy dense soft bar and delicious chikkis from groundnut with Jaggery/sugar to meet immediate nutritional requirements of Armed Forces during operation. The survival ration consists of Soft bar 100 g x 2 Nos, Chikki (sugar based) 50 g x 3 Nos, Chikki (Jaggery based) 50 g x 3 Nos. Rations are packed in Low Density Polyethylene (LDPE) of 125 micron thickness and hermetically sealed and vacuum packed. Chikkis are vacuum packed in laminated pouches to enhance the shelf life to more than one year without any sensory changes at ambient conditions. Ration is designed to prevent thirst and easily digestible. This provides around 2228 Kcal of energy per pack of 500 gm with shelf life of one year under ambient condition.
