## **Defence Minister Arun Jaitley hands over DRDO developed devices to forces**

New Delhi: Defence Minister Arun Jaitley today handed over a number of devices developed by the DRDO to National Security Guard (NSG), Delhi Police and National Disaster Response Force (NDRF).

The devices handed over to NDRF included 'E-Nasika', a hand-held equipment which is capable of rapid detection of chemical agents well below their toxic limits. Jaitley also handed over to NSG an equipment called 'OTL-300'. It can instantly detect partially camouflaged optical elements, such as telescopes, binoculars and night vision devices. The 'OTL-300' was given to Delhi Police also.

Another portable equipment, capable of remotely identifying explosives, was handed over to P S Purohit, additional director in Intelligence Bureau.
