

125A

GOVERNMENT OF INDIA
DIRECTORATE OF AERONAUTICS (R&D)
MINISTRY OF DEFENCE

TYPE APPROVAL LETTER
NO.115

ISSUED TO

M/s PROTOCHEM INDUSTRIES, BOMBAY

This is to certify that the Lanolin based protective fluid Protoseal-LX-IS developed by M/s Protochem Industries, Bombay-400080 has been tested as per the requirements laid down by Directorate of Aeronautics and Defence Specification DEF-2331-A and has been found suitable for aeronautical use.

2. The results of tests carried out are placed in type record.

3. Approval is hereby accorded to M/s Protochem Industries, Bombay for the manufacture of the subject fluid. The type approval number quoted above must be reflected in all relevant contracts.

4. The approval is subject to the following conditions:

- (i) The quality control aspects of production being cleared by D.T.D.&P(Air), Ministry of Defence.
- (ii) The approval is valid initially for three years from the date of issue and will have to be renewed subsequently.
- (iii) Prior agreement of Directorate of Aeronautics will have to be obtained if this approval is to be transferred to any other agency, or

PTO

-2-

if changes within type record are affected.

- (iv) The composition of this Protective fluid will not be changed without the prior approval of Directorate of Aeronautics.
