

Project Proposal Assessment
(DRDO Grant-in-Aid Projects-DFTM)

DIA CoE:

1.	Project Title:			
2.	Principal Investigator:			
3.	Grantee Institute:			
4.	Proposed Cost:		5.	PDC (months :
6.	DRDO Domain Lab:		7.	Funded through : DFTM
8.	Proposal Assessment:			
9.	Your Role: DRDO Domain/ Technical Expert/ Industry Expert/ Chairman			

S.No	Description					
a)	FoM & Objectives					
	FoM (Select all options that apply)			Objectives (Select all options that apply)		
	<input type="checkbox"/>	Not in my area	<input type="checkbox"/>	Qualitative	<input type="checkbox"/>	Current Relevance
			<input type="checkbox"/>	Ambiguous	<input type="checkbox"/>	Futuristic Technology
			<input type="checkbox"/>	Quantitative	<input type="checkbox"/>	Dated requirement for DRDO Project
				<input type="checkbox"/>	Requirement of future DRDO Projects	
b)	Proposed Deliverables by PI (Select all options that apply)					
	<input type="checkbox"/>	Technical Report			<input type="checkbox"/>	Recommendations by PI
	<input type="checkbox"/>	Designs/Formulae/ Process Definition			<input type="checkbox"/>	Data (Collected or Generated)
	<input type="checkbox"/>	Source Code and Build/Install			<input type="checkbox"/>	Infrastructure
	<input type="checkbox"/>	Prototypes			<input type="checkbox"/>	Test & Measurement Rig. or Application Test Suite
	<input type="checkbox"/>	Any Other (Please Specify) _____				
c)	Your Suggestion on Deliverables in addition to deliverables suggested by PI					

d)	Technical Approach (Select all options that apply)			
	<input type="checkbox"/>	Based on Prior Work of PI	<input type="checkbox"/>	Based on Original Idea
	<input type="checkbox"/>	Based on exploiting recent breakthrough	<input type="checkbox"/>	Inter Disciplinary Innovation
e)	Reviewer's Confidence on Technical Approach (Select any one)			
	<input type="checkbox"/>	High (Feasible)	<input type="checkbox"/>	Low (Likely Infeasible)
	<input type="checkbox"/>	Medium (Challenging but Convincing)	<input type="checkbox"/>	Not my Domain
f)	Relevance and utility of project to Defence Research (Select all options that apply)			
	<input type="checkbox"/>	Essential for futuristic systems in DRDO Roadmap	<input type="checkbox"/>	Relevant for Eco-system gap filling
	<input type="checkbox"/>	Essential for ongoing system development by DRDO	<input checked="" type="checkbox"/>	Relevant for Eco-system capacity enhancement
	<input type="checkbox"/>	Relevant for Indigenization of in-service equipment		
g)	Recommendation (Select any one)			
	<input type="checkbox"/>	Accept	<input type="checkbox"/>	Accept with changes
	<input type="checkbox"/>	Change & Resubmit	<input type="checkbox"/>	Reject
h)	Capacity to Engage (Specify your capacity to engage with the project) (Select all options that apply)			
	<input type="checkbox"/>	Initial reviews for sanction only	<input type="checkbox"/>	Mentoring of PI/DA at design
	<input type="checkbox"/>	Reviews during execution	<input type="checkbox"/>	Mentoring of PI/DA for development
	<input type="checkbox"/>	Accepting of output and ToT on successful closure.		

- Note**
- (i) Additional comments may be annexed as desired.
 - (ii) Assessment form to be understood in context of Project Feedback and Project Closure norms issued separately.

Feedback:

- a) Time taken to read proposal _____
- b) Time taken to fill Assessment _____

Date : _____ **(Name & Signature of Domain Expert/Reviewer)**

COUNTERSIGNED

(DIA-CoE Director)
