**DRDO Life Sciences Labs/Estts
& All DGAFMS Units**

Sub: Nomination for Brig S.K. Mazumdar Memorial Young Scientist Award.

Sir,

Brig. S.K. Mazumdar the father of nuclear medicine in India, who founded the Institute of Nuclear Medicine Allied Sciences (INMAS) in 1961 was a former The Director of the Institute. He was a serving officer in AMC who devoted the major part of his professional career to relieve human sufferings. After his death on 6th August, 1984, Brig S.K. Mazumdar Memorial Trust was formed.

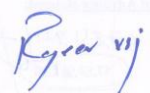

Brig S.K. Mazumdar Memorial Trust has instituted a **Young Scientist Award** to be presented to the best research paper amongst the scientists of the Life Sciences laboratories of DRDO & three Services (Medical Unit) who are below the age of 40 years. It consists of a running shield & a citation.

The presentation of papers will be made at INMAS, Delhi at **0900 hr on 23 Dec 2011**. The best paper will be chosen amongst the presentations made and the award will most likely be presented by SA to RM, on behalf of Trust, on the occasion of 26th Brig. S. K. Mazumdar Memorial Oration function at Delhi.

I request you to kindly nominate 1-2 young scientists for the presentations and selection for the award. The abstract and name of the participant should **positively reach INMAS latest by 12th Dec 2011**. **Nominee's mobile number and email address should also be accompanied with 300 words abstract.**

I shall be grateful if you could kindly nominate young scientist(s) from your Institute/Lab for making presentation for the award at your earliest.

With kind regards,

(Dr Rajeev Vij)
Joint Secretary
