Skill Development Training Programme

In line with the Govt. of India's drive on promoting skill development across the country, and our Prime Minister's vision of making India the 'Skill Capital of the World', INMAS is committed to bridging the skill gap by imparting training to Radiographer, Medical Laboratory Technologist, User/Technician/animal handler at Experimental Animal Facility. "INMAS (DRDO) - Integrated Skill Initiative" is an integrated programme on 'Skill Development', initiated by INMAS (DRDO) using in house expertise and infrastructure of Medical Lab Technology, Imaging Sciences and Experimental Animal science. INMAS through a uniquely designed eight week training programme aims to remove the disconnect between demand and supply of skilled manpower, to build new skills and innovative thinking, not only for existing jobs but also for the jobs that are to be created.

Applications are invited from eligible citizens of India for the training programme at INMAS Delhi as per application format given below:

SN	Training Programme	Duration	No of Intake	Qualification & Remarks
